

**REMARKS**

By the present amendment, claims 1, 12, 15 and 18 have been amended. No claim has been cancelled or added. No new matter has been added.

Claims 1-20 are currently pending in this application. All currently pending claims are believed to be allowable.

The present amendments are being made to correct a clerical error which occurred in the international application. The present amendment to claims 1 and 12 are supported by the specification on page 4, lines 8 to 10. The present amendments are not in response to any action by the Examiner. They broaden the scope of the claims and thus no surrender of equivalent is intended and should be inferred.

Should the Examiner believe that anything further is desirable to place the application in a better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,

/Jonathan D. Cutler/
